IT'S TIME TO MAKE A DIFFERENCE

Team Pajamas is a new volunteer program, developed by Kansas City Hospice & Palliative Care, that offers unique opportunities for teens and young adults (ages 16 and older) to get involved and make an impact.

Volunteers provide compassionate support to patients and their families at Kansas City Hospice House™ and NorthCare Hospice House by tucking in patients for the night, offering a menu of comfort items, completing beautification projects, packing activity bags, and much more.

REQUIREMENTS

- Positive attitude
- Background check & TB test
- Parent signature (if younger than 18)
- 25 volunteer hours annually (minimum)

TRAINING

- 7 hours of online self-paced training
- On-the-job training also available

Kansas City Hospice
PEOPLE YOU KNOW. CARE YOU TRUST.
