Looking Back, Moving Forward

Join Kansas City Hospice for Reflections: Sunday Night Live 2026

September 18, 2026 - Kansas City, MO - *Reflections* means something different to everyone. A favorite memory. A meaningful connection. A moment that changed us. A reminder of how far we've come - and what's still possible.

That's the inspiration behind **Sunday Night Live 2026**, the signature fundraising event of Kansas City Hospice & Palliative Care, taking place at **5 pm, Sunday, October 11**, at Kansas City Power & Light.

Throughout the evening, guests will find plenty to celebrate - and plenty to reflect upon:

- **Reflections of community.** The event is brought to life by a dedicated planning committee made up of Kansas City Hospice volunteers and team members who work together to create an evening that's welcoming, memorable and, most importantly, fun.
- **Reflections of a remarkable history.** Looking back at Kansas City Hospice's decades of providing compassionate, quality care is about more than nostalgia. It's a reminder of what our community has built together - and a celebration of the even greater possibilities ahead.

- **Reflections of impact.** Every gift represents a belief that comfort, dignity and compassionate presence should be available to all people in Kansas City when they need it most. Donors and supporters make that care possible, creating an impact that reaches far beyond one evening.

"What sets this event apart is the unique experience each guest has," says David Wiley, President & CEO of Kansas City Hospice. "Some people come for the games: we have crowd favorites like Plinko and a liquor toss. Some come to enjoy the world-class food from Power & Light restaurants. Others come excited to discover our outstanding auction packages. There really is something for everyone."

And beneath all the fun is something even more meaningful: **the opportunity to make a difference for local people facing some of life's most important moments.**

Every dollar given to Kansas City Hospice creates a ripple of impact, helping provide comfort, dignity, support and compassionate care to patients and families throughout KC. It's an impact that may not always be visible, but it's deeply felt.

So come reflect on where we've been, celebrate where we are and help shape what comes next.
